We are delighted to announce the appointment of ACCON AVM as GMN's representative in The Netherlands.

Last year, the company that started out as a co-operation supporting agricultural entrepreneurs, celebrated its 100<sup>th</sup> anniversary. From its humble beginnings it has now grown to become a full-service accounting and advisory group that is one of the leading accounting companies in The Netherlands.

ACCON has a total of 52 directors, with around 850 employees operating out of 40 offices across the country.

The core services provided by ACCON are:

- ⇒ Auditing
- ⇒ Accountancy
- ⇒ Tax planning and advisory, including international tax
- ⇒ Payroll, including international payroll
- ⇒ Strategic & financial planning
- ⇒ Corporate finance
- ⇒ Personal finance

But their expertise is far reaching. They describe themselves as a “firm of auditors and consultants that tailors its services to the needs of companies that do business internationally”. You can find out more by visiting their website [www.acconavm.com](http://www.acconavm.com).
